POPULATION BY MARITAL STATUS

Final population counts of the 1966 Census are presented in this report by marital status (i.e., single, married, widowed and divorced). Figures are shown for provinces by sex in Table 1, for counties and census divisions in Table 2 and for incorporated cities, towns, and villages of 10,000 and over, as well as for census metropolitan areas, in Table 3. The statement below provides comparative marital status and sex figures for Canada according to the 1961 Census.

More detailed classifications of marital status by sex and by age groups and sex will be issued at later dates as part of the regular volume series of final reports of the 1966 Census. The purpose of this advance report is to make available summary totals at the earliest possible date.

Single persons in this report are shown in two broad age categories, viz., under 15 years and 15 years of age and over. Totals shown under the heading "married" include all married persons whether living together, or living apart for any reason unless a divorce has been obtained.

POPULATION SELON L'ÉTAT MATRIMONIAL

Le présent rapport contient les chiffres définitifs de la population répartie selon l'état matrimonial (i.e., célibataires, mariés, veufs et divorcés) d'après le recensement de 1966. La répartition pour les provinces selon le sexe est donnée dans le tableau 1, pour les comtés et divisions de recensement dans le tableau 2 et pour les cités, villes et villages constitués de 10,000 habitants et plus, de même que pour les zones métropolitaines de recensement, dans le tableau 3. L'exposé ci-dessous donne les chiffres comparatifs du recensement de 1961 selon l'état matrimonial et le sexe pour le Canada.

Des classements plus détaillés de l'état matrimonial selon le sexe et selon les groupes d'âge et le sexe paraîtront plus tard dans la série régulière de volumes contenant les résultats définitifs du recensement de 1966. L'objet du présent rapport est de faire connaître les chiffres aussitôt que possible.

Dans le présent rapport les célibataires sont répartis en deux grands groupes d'âge, à savoir: ceux de moins de 15 ans et ceux de plus de 15 ans. La catégorie "mariés" comprend toutes les personnes mariées vivant ensemble, ou vivant séparées pour une raison quelconque, à moins qu'elles n'aient obtenu un divorce.
